

Parents/Carers

Dear Parents

With all our menus we find that a handful of children don't like the main choice on one particular day. For this reason we are offering a Jacket Potato and Cheese / Jacket Potato and Baked Beans / Jacket Potato and Tuna or a sandwich option of cheese, chicken, tuna or egg but only on a pre-order basis. Your child will still get the vegetables, salads etc with the meal as this will only be classed as the main dish. Dessert will be as normal; the dessert of the day.

You will need to discuss the menu with your child and go through all the days when they really don't like the meal of the day. If you find there is a day then fill in the form attached and repeat for the full three week cycle and hand back in at the school office to allow us time for ordering correctly. This form will then be used by the kitchen to provide your child with the jacket potato option on the days you specified up until the next menu.

If your children are starting school for the first time, we would suggest that you let the children at least run through the three week cycle before making your decision.

In no way are we trying to stop children enjoying a full balanced meal, this is just to make sure that your child goes away with a nourishing substantial meal if there is a real dislike to a day's menu.

Thank you
