11th September 2019

Year 6 Homework

This year, homework will be set each Friday and should be returned for the following Friday. Each week, children are expected to read a minimum of 3-4 times per week and bring in their reading records daily. Thank you in advance for your help in supporting this.

In folders, they'll receive their weekly homework:

- A spelling list (personalised to their spelling ability) which they will need to practise as there will be a weekly spelling test.
- A reminder of a times table to focus on
- A 100 word challenge sheet. Children need to write/word process a 100 words based on the writing prompt give. They will be writing for one of their peers based on a range on genres and hopefully, include some of their learning from literacy lessons. They will be assess by their peers so they can practise writing for an audience.

Either a reading activity or a maths activity on the skills we've been learning in class.

Should children need any help in understanding the homework, they are free to ask me throughout the week so we can go through it.

Many thanks for your support,

Mr Mackinnon (Year 6 teacher)
