Headteacher Mr Mark Whyman

30th June 2020

Dear Parents,

I hope you and your family are well and staying safe. Under normal circumstances we would be holding a transition morning this week where the children would spend the morning with their teacher for next academic year. Due to the current situation we will not be able to carry out any transition activities with the children until we return to school in September. At this point in time, we are planning for the return of all children on September 3rd. We are awaiting guidance from the government, which we expect on the 3rd July, as to how school will be organised in September. In the meantime, before I can update you with further information, please find the details of your child's class and teaching staff for next year.
