Headteacher Mr Mark Whyman

22nd February 2021

Dear parents,

I am writing to inform you that one of our teaching staff, Mrs Parkes, is currently off work. Last week, over the half term break, Mrs Parkes tested positive for Coronavirus and as a result she is unwell. We are hopeful that Mrs Parkes will be back at work soon, but this will be dependent on how long it takes her to get over the virus. She is currently feeling unwell.

At school we have systems and procedures in place to help keep everyone safe. Could I please remind you that, in line with government guidance, children should not be mixing with other households for play dates or sleep overs. We will not release children to anyone except for their parent or another adult who you have informed us is part of your child care bubble. The government guidance states that:

‘You can only have one childcare bubble with one other household. This means no household should be part of more than one childcare bubble. You can only use a childcare bubble for childcare. You cannot use a childcare bubble to mix with another household for other reasons.’

Thank you for your understanding in this matter and for helping us to keep the children and adults in school safe.

Regards,

Mark Whyman
