Executive Headteacher Mr Mark Whyman

Head of School Miss Sophie McBride

Dear parents,

This term one of the themes in assembly is British Values – Democracy, Rule of Law, Individual Liberty, Mutual Respect and Tolerance. To support our children's understanding of democracy and to give our children a voice into decisions made on their behalf, we will be starting a School Council.

The School Council will be made up of two children (a boy and a girl) from year 1 to year 6. The School Council will meet once a month with Miss McBride and Mr Whyman. The first job we would like the School Council to undertake is deciding on new outdoor equipment to replace the current trim trail as much of this has been condemned.

If your child is interested in becoming a member of the School Council and feels they would be confident in putting the views of the class across and working with teaching staff, then they need to make a short presentation explaining why they would be a good School Council representative and how they would represent their class.

The presentation can be in any format you choose from a power point to a hand written script. At the end of the presentations, the class will hold a secret ballot to vote for the child they feel will be the best representative for their class. The children with the most votes will be elected onto the School Council until September 2024.

We plan to hold presentations and elections on Friday 12th May, with the new School Council meeting as soon as possible after this date.

To register your child's interest please use the link below. We look forward to hearing some wonderful presentations and working with our School Council as soon as we can.

Good Luck!

Miss McBride and Mr Whyman
