## Pony Activity Taster Sessions

Weds 27th March 10-11am or 11am-12noon

Tues 9th April 10am-11am or 11.30am-12.30pm

Want to try something different? New to ponies and don't know where to start? Our 'have a go' sessions might be just what you're looking for.

Each 'have a go' session will last an hour and will include:

- 🐾 A tour of the centre to meet the ponies
- 🐾 A horse care taster session to find out more about how to look after a pony
- 🐾 A horse agility taster session to learn about working on the move with a pony

A riding taster session to see how you feel in the saddle

These 'Have a go' sessions are open to all abilities and are suitable for participants with additional needs. There is a 13st weight limit for riding but if you don't want to ride you can have extra time doing horse care and agility. Please dress suitably for spending time around horses in an outdoor environment.

£20 per participant
